Personal Data will be available for inspection during the Meet on application to the Promoters.

Starts: It is the responsibility of the competitors, coaches and clubs, to ensure that all swimmers are competent to the standard of the ASA competitive start award, to perform a shallow racing dive into the water. In the event of a false start, swimmers should perform a safe entry with a shallow racing dive and not fall into the water. Swimmers are reminded that they are permitted to start in the water for all events, but must advise the referee of this prior to the start of their heat.

Warm up: During the warm-up, swimmers and coaches must ensure that they (and swimmers in their charge) take no action that would endanger themselves or others. The instructions of Pool Lifeguards or others in authority must be obeyed immediately.

Security: Competitors are advised not to leave their belongings unattended and to ensure valuables are placed in a locked locker or deposited with someone for safekeeping. Neither Beachfield Swimming Squad nor the Pool Management will be held responsible for property that is lost.

Litter: Competitors and spectators are asked to place all litter in the receptacles provided and not to leave it on the floor, particularly in the spectator gallery, where it may become a safety hazard.
